That's My Brick®

Adept Engraving LLC has been working with thousands of companies throughout the country, helping them to raise funds for various causes through That's My Brick!® Fundraisers.

We offer personalized bricks to further the success of your organization. Our bricks are great for plazas, memorials, walkways, and anywhere else you use bricks! Show your support by personalizing a brick today!

The Marking Process

That's My Brick!® uses a patented, laser based marking process that produces a layer of black, fused glass on any color surface of the brick. The marks are flush with the surface of the brick, which means less maintenance and no chance of wear-based damage.

All samples passed each of the ASTM-specified test conditions (Freeze /Thaw cycling, Salt Spray exposure, Ultraviolet Light exposure) with flying colors. The independent testing has proven that bricks marked with our process and installed properly in your project will last longer than our lifetimes.

BUILD A LEGACY WITH BRICKS OF HONOR

About Our Fundraiser

To help support the LT Michael P. Murphy Navy SEAL Museum and Sea Cadet Training Facility, we are offering commemorative bricks that will be located directly outside the museum. The brick can be inscribed with your name, a company name, a veteran or first responder or the name of someone you love or a hero fallen in service to our great country. Your personalized brick will lead directly up to the beautiful museum entrance, creating an everlasting memory that will live on for generations to come.

Graphics & Logos

That's My Brick!® can create a truly unique brick for you or your company. All approved images can be found at:
